## **CURRICULUM DEVELOPMENT**

The School Board will encourage and support the professional staff in its efforts to investigate new curricular ideas, develop and improve programs, and evaluate results.

The superintendent or superintendent's designee will spearhead curriculum development for the school system, The superintendent or superintendent's designee will set up curriculum committees for the study of curriculum improvements, including the selection of new instructional materials, as found necessary and desirable.

The superintendent will submit to the Board recommendations developed by the curriculum committees and the professional staff, and the School Board will make final decisions on curriculum change. The Board in reviewing and evaluating curriculum recommendations may solicit community opinion.

All teachers have professional obligations to the school program beyond regular classroom duties, and these obligations include work on curriculum committees. It is expected that all teachers will make contributions to curriculum development.
