CHANGE OF SCHOOL OR ASSIGNMENT POLICY

In circumstances where the best interests of a pupil warrant a change of school or assignment, the Superintendent is authorized to reassign a pupil from the public school to which he/she is currently assigned to another public school, or to approve a request from another superintendent to accept a transfer of a pupil from a school district that is not part of the School Administrative Unit (SAU), under the following conditions and procedure.

CONDITIONS AND PROCEDURES FOR REASSIGNMENT

1. The parent(s) or legal guardian(s) (or superintendent of another SAU) shall make a written request to the superintendent for a change of school assignment. In the request the parent(s)/legal guardian(s) shall state why the best interests of the pupil warrant a reassignment.
2. The superintendent shall fully consider this written request, shall meet with the parent(s) or legal guardian(s), if necessary, and shall make a decision concerning the reassignment request.
3. The superintendent's decision shall be based on the best interests of the pupil, as determined by the superintendent. The superintendent may develop administrative regulations concerning the factors that will be considered in making such a determination.
4. If the superintendent determines that the best interests of the pupil warrant a reassignment, he/she may approve reassignment of the pupil to (a) another school within the same school district; (b) another school district within the same SAU; or (c) a school district in another SAU, subject to the pupil meeting the admission requirements of such school, and subject to the agreement of the superintendent of the receiving SAU.
5. The superintendent's reassignment decision shall be in writing and shall be final and binding.
6. The total reassignments or transfer made under this policy in any one school year shall not exceed one (1) percent of the average daily membership in residence of a school district or five (5) percent of the average daily membership in residence of any single school, whichever is greater.
7. Reassignments made under this policy which exceed the percentages provided in paragraph #6 above must have the prior written approval of the School Board.
