## **STUDENT DISCIPLINE OUT-OF-SCHOOL ACTIONS**

The Dover School Board recognizes that out-of-school conduct of students attending school within the district is not normally a concern of the School Board. However, the School Board believes that disciplinary action for conduct occurring off school property and not involving a school activity is proper if the conduct has an adverse effect upon the school.

Therefore, it is the policy of the Dover School Board that any student attending school within this district will be subject to disciplinary action including, but not limited to, suspension from school for any conduct that, in the opinion of the school administrators, has an adverse impact upon the school.

Out-of-School and off-campus student conduct that may subject a student to discipline includes, but is not limited to:

1. Damaging school property;
2. Violence at or near the school's bus stop, either before or after the school day;
3. Drinking alcohol, using tobacco products, or using illegal drugs at or near the school bus stop, either before or after the school day;
4. Damaging the private property of school staff or employees;
5. Any other activity the Board or administration determines impedes the general welfare of scholastic activities.

### Cyber-Bullying and Internet Threats

The Board also recognizes that there are growing occurrences of "cyber-bullying" and threatening language being used by students on the internet when out-of-school and off-campus. Cyber-bullying will be addressed in accordance with Policy JICK-(Bullying Policy)
