**QUESTIONS/ANSWERS
DOVER SCHOOL DISTRICT LEASED LIT FIBER RFP
DATED NOVEMBER 30, 2017**

Q1. Is there available conduit that carriers could use to get into McConnell Center or should we plan on digging?

A1. There is conduit available for pulling services into the McConnell Center from the utility poles.

Q2. 2nd connection can either terminate at Horne St School or SAU 11 Office. Is there a preferred site?

A2. Either location (SAU or HSS) is acceptable to us, although we believe that providers will have an easier time connecting at the SAU location.

Q3. Since you are looking for the BGP feature with the Internet connections, will you also require a /24 IP block?

A3. We will need 2 blocks of 5 static IP addresses.

Dover School District Mission Statement

Strengthening our community by educating every child, every day!
